Product Facts (continued)

For use in dogs and cats.
 Recommended to help support healthy hip and joint function. Helps to maintain joint flexibility and alleviate aches and discomfort associated with daily exercise.

Suggested Daily Use: (Initial Three Week Period)

Weight	Amount
Up to 10 lbs.	1 tablet
11 to 39 lbs.	2 tablets
40 to 79 lbs.	3 tablets
80 lbs. and over	4 tablets

Suggested Daily Use: (Maintenance)

Weight	Amount
Up to 10 lbs.	1/2 tablet
11 to 39 lbs.	1 tablet
40 to 79 lbs.	1-1/2 tablets
80 lbs. and over	2 tablets

After the initial three week period, the number of tablets can often be reduced to a level that maintains the pet. Reduction should be done gradually in 1/2 to 1 tablet increments depending on the size of the pet, and should not be reduced more than one time per month. Administration may be increased at any time depending on the pet's needs.

Warnings:

For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.

Do not feed to cattle or other ruminants
