

Kaytee® Box O' Hay Variety Pack starts with Timothy hay, an excellent source of the natural fiber small animals need for proper digestive health. Small pets love to explore for food and chew and gnaw their way to tasty treats. Single serve Box O' Hay's with Carrots, Mint or Marigolds provide safe-to-chew boxes that add fun activity and variety to your pet's diet. Timothy hay is high in fiber and may support digestive health. Lower protein and calcium may help support urinary health. Timothy hay fed in conjunction with good feeding habits may support weight management.

Foraging treat for small animals: Rabbits, Guinea Pigs, Hamsters, Gerbils, Mice, Rats and Chinchillas.

Storage Instructions:
