OUTDOOR CLEANER®

Cleans Stains From
ALGAE, MOLD, & MILDEW

CLEANS: Awnings • Bricks • Boats • Composite Deck & Roof • Concrete • Decks • Driveways • Fences • Fiberglass • Flower Pots • Garden Decor • Greenhouses • Gutters • Houses • Lanais • Log Cabins • Mailboxes • Mobile Homes • Outdoor Furniture & Canvas • Painted Surfaces • Pathways • Patios • Planter Boxes • Porches • Roofs • RV Tops • Siding • Stucco • Tarps • Tents • Tiles • Tombstones • Vinyl Fencing & Siding • Wood...

DIRECTIONS: Mix in a Tank Sprayer.

1. Mix equal parts with water

2. On a DRY surface saturate with product

3. Rinse with a garden hose

METAL, PLASTIC, CLOTH, PAINTED SURFACES, FIBERGLASS

Keep wet with the product for up to **3 MINUTES**, then brush surface if necessary. (Non-Corrosive to metals when used as directed.)

WOOD, COMPOSITE

Keep wet with the product for up to **5 MINUTES**, then brush surface with the grain. (Stained wood can become blotchy in appearance. This is remedied by re-staining.)

CONCRETE, MASONRY, TILE, ASPHALT

Keep wet with the product for up to **15 MINUTES**, then brush if necessary. (Non-staining to concrete.)

For heavier stains, reapply cleaner to surface before rinsing and brush again, if necessary. Rinse the surface thoroughly using a garden hose. After each use, clean applicator thoroughly with water.

COVERAGE:

One gallon of Concentrate will clean up to 200 sq. ft. on porous surfaces, up to 600 sq. ft. on nonporous surfaces. To extend the coverage up to 1800 sq. ft., you can mix 4:1 with water and leave wet with the product 4 times longer.

PRECAUTIONS:

Store **30 SECONDS OUTDOOR CLEANER** in a cool, dark place and transport in an upright position. Always test an inconspicuous area on surfaces that are susceptible to corrosive, dulling and bleaching effects. For example: fabric, color paving, high gloss paint and untreated metals. Wear old clothing. **30 SECONDS** will discolor clothes. Rinse plant foliage and metals, within 10 minutes of application. Do not let **30 SECONDS** dry on glass.

CAUTIONS:

Keep out of reach of children. Use in a ventilated area. Do not mix with other household chemicals. In case of eye or skin contact, flush immediately with water for at least 15 minutes. Seek medical attention if irritation persists. If swallowed, drink plenty of water, do not induce vomiting and call physician immediately. Do not allow **30 SECONDS** to enter lakes or streams.

CONTENTS:

Sodium Hypochlorite (bleach) Commercial grade, highly stable, 70% less NaCl.....5%
Proprietary Ingredients.....1.2%
Inert ingredients.....93.8%

Real results from real customers

INSTRUCCIONES:

Mezcle 1:1 con agua en un rociador con depósito. Rocíe el producto uniformemente en una superficie SECA. Mantenga la superficie húmeda con producto, conforme a las listas de superficie individuales. Cepille si es necesario, luego enjuague bien con una manguera de jardín. Vuelva a aplicar, si es necesario, donde haya manchas difíciles. La acción limpiadora se detiene cuando se seca el producto en la superficie.

COBERTURA:

Un galón de Concentrado limpia hasta 200 pies cuadrados en superficies porosas y hasta 600 pies cuadrados en superficies no porosas. Para ampliar la cobertura hasta 1,800 pies cuadrados, puede mezclar 4:1 con agua y dejar húmedo con el producto un tiempo 4 veces más largo.

PRECAUCIONES:

Almacene **30 SECONDS OUTDOOR CLEANER** en un lugar fresco y protegido de la luz y térralo en posición vertical. Siempre haga una prueba en áreas poco visibles en superficies susceptibles a los efectos corrosivos, mateantes y de decoloración. Por ejemplo: Tela, pavimento de color, pintura de alto brillo y metales sin tratar. Póngase ropa vieja. **30 SECONDS** decolora la ropa. Enjuague las hojas de las plantas y los metales dentro de los 10 minutos después de la aplicación. No permita que **30 SECONDS** se seque en el vidrio.

ADVERTENCIAS:

Mantener fuera del alcance de los niños. Usar en un área ventilada. No mezclar con otros químicos domésticos. En caso de contacto con ojos o la piel, enjuague de inmediato con agua por lo menos durante 15 minutos. Busque atención médica si persiste la irritación. En caso de ingestión, tome abundante agua, no provoque el vómito y llame al médico de inmediato. No permita que **30 SECONDS** ingrese en lagos ni arroyos.
