Ingredient Statement:

Freeze-Dried Brine Shrimp, Fish Gelatin, Spirulina (Color).

Feeding Directions:

Firmly press cube against the glass on the inside of the tank beneath the water's surface until all air has been removed. Doing so may compress the cube slightly but will allow it to stick to the tank for a longer period of time. Offer 1-3 cubes daily, but only what the fish will consume in 5-10 minutes.

Remove uneaten food. After each use, be sure to completely close container and store in a dry, moderate to cool location.
