The Firelog, new from Zip, is fast lighting,  
convenient to use and both mess and  
hassle free. This clean burning, 100%  
natural firelog, burns for up to 2 hours  
with no need for additional firestarters,  
paper or kindling.

Simply light the wrapper and either use  
on its own to provide ambience or add fuel  
after 20 mins for a warm and cosy fire.

**WARNING:** For use in fireplaces, chimineas,  
firepits and other open appliances suitable for  
coal or wood fires. Do NOT use on a hot grate. DO  
NOT USE IN CLOSED / NON VENTED APPLIANCES.  
Do NOT use on a barbeque. In an emergency  
extinguish with a very wet rag or sand. Keep  
away from children and pets.

**USAGE INSTRUCTIONS**

Do not remove from  
wrapper.

Place the firelog in your fireplace,  
chiminea or firepit with the  
horizontal seam at the top.

Grasp the wrapper at both ends  
and pull outwards then carefully  
pull the middle seam upwards.  
Light at the arrows at both ends.

**For use in**

Use of this and other solid fuels may be restricted at times by law.  
Please check 1-877-4NO-BURN or www.8774NOBURN.ORG before burning.
