ULTRA-D

D-MATTING SPRAY

KENIC PRO SERIES ULTRA-D is especially formulated to remove loose hair, mats, tangles and undercoat. KENIC ULTRA-D D-MATTING SPRAY will cut brushing time in half, leave the hair coat manageable and revive a dull dry coat. KENIC ULTRA-D is also formulated with conditioners to repair split ends and moisturize the skin.

DIRECTIONS: For best results bathe pet and rinse well. Spray entire hair coat paying close attention to heavy matted areas. Massage into coat and mats, let stand for 5 minutes, gently pull heavy matted areas apart (DO NOT CUT), rinse well. Dry coat with force dryer or clean towel. Coat may be brushed during drying procedure. After coat is completely dry, brush out any remaining mats.

KENIC ULTRA-D, D-MATTING SPRAY MAY BE USED AS OFTEN AS NECESSARY.

PROFESSIONAL GROOMER AND CONSUMER NOTE:

KENIC ULTRA-D D-MATTING SPRAY MAY BE USED ON MATTED AREAS PRIOR TO BATHING. THIS IS A TIME SAVER FOR THE PROFESSIONAL.

KENIC ULTRA-D D-MATTING SPRAY contains deionized water, stearylkonium chloride, hexadecanol, ethoxolated lanolin, Aloe Vera, jojoba oil, mineral oil, glycerin, apple extract. Contains no alcohol or animal by-products.

PRECAUTIONS: Keep all chemical out of reach of children. For external use only. Keep out of eyes.

KENIC CARES: This product is 100% biodegradable. Container is recyclable.
