

AQUATIC TURTLE DIET

Zoo Med's Aquatic Turtle Food is used and recommended by Zoos, Veterinarians, and professional breeders worldwide. As aquatic turtles mature, their diet changes and plant material makes up a larger part of their diet.

This Maintenance Formula is scientifically formulated to meet the dietary requirements of adult aquatic turtles that have reached their full adult size, or a shell length of 6 inches (15 cm). For hatching turtles, use Zoo Med's Hatching Formula. Feed sub-adult turtles Zoo Med's Growth Formula. Most aquatic turtles prefer to feed at the water's surface (like Red-eared Sliders, Painted Turtles & Map Turtles). Our pellets float making it easier for them to locate their food.

With added
vitamins
and minerals

MAINTENANCE FORMULA

25% Protein • 5/16" Size Pellet
For Turtles 6"(15cm)
and above

No artificial preservatives,
colors, or flavors

Net Wt.
45 oz. (1.27 kg)

FEEDING INSTRUCTIONS:

This food is formulated for turtles that have reached their full adult size, or a shell length of 6 inches (15 cm). Place pellets in water and allow turtles to feed for a minimum of one hour. Any uneaten food left after this time should be netted out and discarded. If your turtles eat all of their food in a short amount of time, increase the quantity of food offered at each feeding.

INGREDIENTS:

Wheat Middlings, Soybean Meal, Wheat Flour, Fish Meal, Corn Gluten Meal, Spirulina, Fish Oil, Soy Lecithin, Dicalcium Phosphate, L-Ascorbyl-2-Polyphosphate (source of Vitamin C), Choline Chloride, Vitamin E Supplement, Niacin Supplement, Calcium Pantothenate, Riboflavin, Thiamine Mononitrate, Biotin, Pyridoxine Hydrochloride, Folic Acid, Vitamin A Acetate, Vitamin D3 Supplement, Vitamin B12 Supplement, Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Copper Sulfate, Sodium Selenite, Potassium Iodate, Propionic Acid (a natural preservative).
