 MADE IN U.S.A.

 Does your dog's urine yellow your lawn? GrassSaver contains healthy ingredients that help to diminish those yellow spots when fed to your dog on a daily basis.

**Chewable Tablets That Taste Like A Treat.**

**Give Daily To Dogs**  
 Give with food (Do Not Use For Cats)

0 to 10 lbs - 1 tab	51 to 79 lbs - 5 to 6 tabs
11 to 19 lbs - 2 tabs	80 lbs. and over - 7 tabs
20 to 50 lbs - 3 to 4 tabs	

Double the daily amount for the first 2 weeks. If you are not seeing results after 2 weeks, please call us at our toll free number for further assistance.

If your dog is on a "prescription diet" by a veterinarian, or if your dog has a metabolic disease (particularly liver or kidney dysfunction) then consult your veterinarian before using. Feed only the recommended amount to avoid adverse effects of excess methionine consumption.
