

These guys have been beating each other up for hours. Would your turf last that long?

If you're not using Princess 77, you might want to give us a call. Otherwise, your turf could look like this field and you'll start feeling like this guy.

Princess 77 certified hybrid bermudagrass is known for its rapid establishment from seed, deep green color, and, especially, the ability to handle heavy traffic (like a rugby field).

Plus, Princess 77 has a faster recovery time and uses less water than 419.
