Feeding Instructions: Hang Kaytee® Honey Treat Stick in your pet's cage following the hanger usage instructions. For best results alternate varieties and limit to 1 stick per bird per week. This specially designed 2-way hanger is made of a non-toxic, pressable plastic that is safe for your pet, however, please remove hanger when treat is consumed.

Allergen Information: Manufactured in a facility that processes peanuts and/or tree nuts.

Not intended for human consumption.

Kaytee® Honey Treat Stick is packaged in a sealed container to preserve freshness. Use within 7 days of opening. Refrigerate or freeze for extended storage.

Satisfaction Guarantee:
If you are not completely satisfied, simply return the unused portion with cash register receipt to:
