

AQUATIC TURTLE DIET

Zoo Med's new Gourmet Aquatic Turtle Food adds a nice high protein treat to your turtle's diet with the addition of dried shrimp and meal worms. We also add whole cranberries which are a natural food item of many North American species of aquatic turtles.

This food is scientifically formulated to meet the dietary requirements of growing aquatic turtles with a shell length of 2 to 6 inches (5 to 15 cm). For hatchling turtles, use Zoo Med's Natural Aquatic Turtle Food - Hatchling Formula. For adult turtles (7 inches and larger) you can supplement the Gourmet Aquatic Turtle Food with Zoo Med's Maintenance Formula.

GOURMET

Aquatic Turtle Food

A food medley
of Zoo Med's
aquatic turtle
pellets blended
with dried shrimp,
mealworms and
whole cranberries.

NET WT. 6 oz
(170 g)

FEEDING INSTRUCTIONS:

This food is formulated for aquatic turtles with a minimum shell length of 2 inches (5 cm) or larger. Open container and spoon out one level teaspoon of food per turtle. Let turtles feed for a minimum of one hour. Any uneaten food left after this time should be netted out and discarded. (Note: The floating cranberries can be left in the tank as some aquatic turtles take time to develop a taste for them.) If your turtles eat all of their food in a short time, you may want to increase the food amount to one level tablespoon or more per feeding. Feed turtles every other day (four times per week).

DO NOT OVERFEED YOUR TURTLES.

INGREDIENTS:

Soybean Meal, Wheat Flour, Fish Meal, Sun Dried River Shrimp (*Macrobrachium nipponense*), Wheat Middlings, Corn Gluten Meal, Dried Mealworms (*Tenebrio molitor*), Dried Cranberries, Spirulina, Fish Oil, Lecithin, Dicalcium Phosphate, L-Ascorbyl-2-Polyphosphate (source of Vitamin C), Choline Chloride, Vitamin E Supplement, Niacin Supplement, Calcium Pantothenate, Riboflavin, Thiamine Mononitrate, Biotin, Pyridoxine Hydrochloride, Folic Acid, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin B12 Supplement, Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Copper Sulfate, Sodium Selenite, Potassium Iodate, Propionic Acid (a natural preservative).
