# AQUATIC TURTLE BANQUET BLOCK

## FOOD & CALCIUM SUPPLEMENT TREAT

- Provides a fun treat for your aquatic turtles!
- Contains whole Zoo Med Turtle Food Pellets in a calcium base.
- Helps neutralize acidic water.

### INSTRUCTIONS:

Zoo Med's Aquatic Turtle Banquet Blocks are a unique blend of whole Turtle Food Pellets inside a calcium base. As a treat, place one block in the water per week. Turtles may bite the block aggressively, or curiously investigate the block, eating the exposed pellets as the calcium dissolves. Be sure to perform routine water changes and use Zoo Med's ReptiSafe™ Water Conditioner to treat new tap water.

### GUARANTEED ANALYSIS:
