

**Feeding & Conditioning for Cockatiels, Parakeets, Canaries & Finches**

Kaytee Forti-Diet Pro Health<sup>®</sup> Molting & Conditioning Supplement is specially designed to provide additional nutrition during periods of stress and to enhance your bird's normal color. Kaytee added DHA to support heart and visual functions and natural prebiotics and probiotics to promote digestion. Provide at all times during molting, breeding and while feeding young.

**Feeding Instructions:** Feed in a separate dish or sprinkle directly on their daily diet. Treats add variety and can be fed up to 20% of the total food intake. Discard any uneaten portion if soiled.

**Instrucciones para la alimentación:** Sirva en un plato por separado o incluya un poco en su dieta diaria. Las golosinas agregan variedad y pueden ser hasta el 20% de la comida total diaria. Deseche la porción sucia que no se haya consumido.

**Instructions pour l'alimentation:** Servir dans un contenant séparé ou saupoudrer directement dans la ration alimentaire quotidienne de l'animal. Les friandises doivent être séparées et peuvent représenter jusqu'à 20% de la ration alimentaire totale. Jeter toute portion inutilisée si elle a été salie.

**Guaranteed Analysis:**

Moisture (max.)	21.0%	Moisture (max.)	21.0%
