- Quick and convenient
- No refrigeration required
- A wide variety of pre-cut ingredients

Zilla® Reptile Munchies Omnivore Mix is a quick and convenient way to provide reptiles a variety of desirable green vegetables and insects they prefer. Select sun dried and dehydrated ingredients are chosen for omnivorous reptiles like Bearded Dragons, Water Dragons, Tegus, and Box Turtles.

Nutritious and high in beneficial vitamins, Zilla® Reptile Munchies are ideal for feeding alone, in addition to leafy greens, pellet diets, or as a treat.

By using select dehydrated and sun dried ingredients, Zilla® Reptile Munchies will more fully rehydrate while maintaining beneficial nutrients and appealing color. This also allows for convenient storage of the unused food by simply resealing the bag – no refrigeration required.
