

NATURAL BOX TURTLE FOOD with added vitamins and minerals

- Correct fiber, protein, and calcium levels for normal growth and proper shell development.
- Contains small amounts of fruit (papaya & mango) and animal protein to meet the unique dietary requirements of Box Turtles.
- Contains a variety of nutritious plants that Box Turtles love!
- **Natural!** No artificial colors, flavorings, or preservatives added.

Zoo Med's Natural Box Turtle Food has been formulated by Ph.D. nutritionists to meet the nutritional needs of Box Turtles as determined by leading scientists and Zoo professionals. The carefully selected ingredients provide the correct ratios of protein, calcium, and fiber. This natural food does not contain artificial colors, artificial flavors, or artificial preservatives. Box Turtles love our food naturally!

Natural

BOX TURTLE FOOD

With added vitamins
and minerals

Correct fiber, protein,
and calcium levels for
normal growth and
proper shell development
of BOX TURTLES.

Net Wt.
10 oz. (283 g)

No artificial preservatives,
colors, or flavors

FEEDING INSTRUCTIONS:

Moisten pellets with water to stimulate feeding behavior and create a flavorful meal that Box Turtles love. If your Box Turtle is not used to eating pellets, thoroughly mix small amounts of lettuce, fruits, and insects into moistened Natural Box Turtle Food. Zoo Med's Can O' products (i.e. Can O' Worms and Can O' Snails) are enjoyed by Box Turtles and can be offered occasionally. Always provide clean drinking water (use Zoo Med's ReptSafe™ water conditioner to treat tap water). Store unopened food in a cool, dry area.

INGREDIENTS:
