THE LEADER IN WILD BIRD FEEDING

Innovators of Quality Birding Products to Bring More Joy into the Backyard

Classic Brands has a dedicated team passionate about birds and our customers. We are focused on developing innovative, quality products that are better for the birds and better for you. We embrace learning more about what our customers desire – whether our songbird customer or our friends feeding birds in their backyard.

We continue to conduct research across North America to better understand what birders want in a bird feeder or accessory product. We have incorporated into every product unique features to make bird feeding easy and fun for people of all ages.

Our products are designed with the bird's needs in mind too. With our team of experts, we design all **Classic Brands** products in the USA and field-test to ensure a fun and successful bird feeding experience for all.

Our innovative products coupled with our exciting branding strategy and comprehensive merchandising solutions makes **Classic Brands** your one source for all your birding needs.

All feeder capacities are based on mixed seed or Nyjer® seed.

Company Pillars

We Listen

We listen to our customer to provide them with the best feeders to put on their shelves that we know will sell to their customers. We also listen to the consumer by utilizing their feedback and providing them with the best, most comprehensive feeders on the market.

We Innovate

Our products are highly creative and solve our consumer's problems.

Holistic View

Our approach is all encompassing: We provide a stellar experience for our customers and consumers by creating a coherent shopping experience with easy to use and clean products that the consumer will love. We view the merchandising and shopping experience to be as important as the user experience and the feeding experience for the birds. By providing knowledge and education as well, we become a one stop shop for the industry.

We Are Passionate

We care deeply about our customers and continually push ourselves to be the best we can be.

Customer Promise

We will grow the wild bird category and help you make your birding business a high growth department- year after year after year- by bringing the voice of your customer to our product offering and merchandising solutions.

Consumer Promise

From your experience in store to your backyard, we promise to make bird feeding easier and a more rewarding encounter with nature.

Merchandising Solutions and Tools

The products of **Classic Brands** are backed by a comprehensive merchandising display system and educational signage designed to fit your store's needs. With free-standing floor displays to planogram assortments, we strive to provide you with additional tools for merchandising product and increasing sales in your Wild Bird Department. We continue to develop new, innovative products and tools for you to expand within your store. We also have the capabilities to design and manufacture custom fixtures to fit your store needs.

Your Best Defense Against Squirrels

Our **Squirrel-X™** line offers a variety of squirrel resistant feeders to fit any backyard needs

#16

*House Finches
with Squirrel-X6 (#16)*

Squirrel Resistant Feeders

Squirrel-X5 & X6

Our new Squirrel-X™ feeders offer maximum squirrel resistance with all metal construction, weight activated port closures and adjustable tension to even keep out large birds such as doves and grackles.

Great Features:

- Six ports allow many birds to feed at once.
- Simply push down and twist the lid counter-clockwise to open and fill.
- Easily tighten or loosen according to the critters weight to keep them from reaching seed. Adjust without opening feeder or disassembling.
- Integrated metal perches are spring loaded to close all ports with the weight of squirrels or large birds.
- Tall design hinders squirrels from reaching the seed ports from the roof.
- Feeders come apart in three sections for thorough cleaning.

Hummingbird & Oriole Nectars

More Birds[®] Nectar

Our nectar products are formulated to resemble flower nectar making them a natural choice for attracting hummingbirds and orioles to your feeder.

Great Features:

- Researched and tested flavorings to create the best nectar on the market
- Attractive bright-colored packaging helps to identify between hummingbird and oriole products
- Appeals to a wide range of hummingbirds and orioles

Three Convenient Formulas:

Powdered

8 ounce powder makes up to 48 ounces of nectar. Just add water, no boiling.

Concentrate

32 fluid ounces makes 4 quarts. Just add water, no boiling.

Ready-to-Use

64 fluid ounces of ready to use nectar. Pour directly into feeder.

Tips for Feeding Nectar to Hummingbirds & Orioles

Very important to clean feeders and refill with fresh nectar every 2 days in hot weather. Only mix as much nectar as needed for your feeders. Store unused nectar solution in a covered container in the refrigerator.
