FIRST AID
Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information. **If in Eyes:** Hold eye open and rinse slowly for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing eyes. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Swallowed:** Call a Doctor or Poison Control Center immediately. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless doctor instructs. Do not give anything by mouth to an unconscious person.

INSTRUCCIONES DE USO
EL REPELENTE DEL TIO IAN DE BABOSAS Y CARACOLES
Para uso exclusivo en exteriores. Rocíe repelente Uncle Ian's ligeramente alrededor de las áreas en las que tiene problemas con babosas y caracoles. Repita el tratamiento en dichas áreas una vez al día durante 5 días consecutivos para mantener fuerte olor. Para formar una barrera alrededor de las plantas, los arbustos y los huertos, rocíe Uncle Ian's repelente ligeramente a su alrededor.
Tio Ian's repelente naturalmente por el sabor y el olor. Es seguro utilizar alrededor de niños, mascotas, vida silvestre y no dañará a sus plantas o su césped.
ALMACENAMIENTO Y ELIMINACIÓN
No contamine el agua, alimentos por almacenamiento y eliminación. **Almacenamiento:** Almacenar en su envase original en un lugar fresco y seco y fuera del alcance de los niños y mascotas. **Eliminación:** Recipiente vacío puede eliminarse en la basura regular. Si está parcialmente lleno: llame a su agencia local de desecho sólidos para obtener instrucciones. ¡Nunca coloque el producto sin usar en ningún drenaje interior o exterior. **Eliminación del envase:** Envase no rellenable. No reutilizar o rellenar este envase. Ofrezcalo para reciclaje, si está disponible.
DECLARACIÓN CAUTELAR
Este producto puede causar irritación a los ojos, boca, pulmones y piel. Evite respirar el polvo. Evite el contacto con los ojos. Se recomienda el uso de mascarara o gafas y guantes. Lávese las manos con agua y jabón después de la aplicación.

DIRECCIONES FOR USE
UNCLE IAN'S SLUG & SNAIL REPELLENT
For outdoor use only. Sprinkle Uncle Ian's repellent lightly around areas where slugs and snails are a problem. Repeat treatment once a day for five consecutive days to keep scent strong. To form a barrier around plants, shrubs and vegetable gardens, sprinkle repellent lightly around. Uncle Ian's repels by taste and smell naturally. It is safe to use around children, pets, wildlife and will not harm your plants or your lawn.
STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal. **Storage:** Store in the original package in a cool dry place and out of reach of children and pets. **Disposal:** Empty container may be disposed of in regular trash. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. **Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.
PRECAUTIONARY STATEMENT
This product can cause irritation to eyes, mouth, lungs and skin. Avoid breathing dust; avoid contact with eyes. Wearing of mask or goggles and gloves are recommended. Wash hands thoroughly with soap and water after application of this product.
