#### FEEDING DIRECTIONS:

- Feed as the sole ration after approximately 18 weeks of age or when egg production begins. Feed throughout the laying cycle. Provide free choice.
- Keep food available at all times.
- Always provide fresh, clean water in a clean container.
- Keep feeders and waterers free of all debris and waste. Clean regularly.

**ALLERGEN INFORMATION:** Manufactured in a facility that processes peanuts and tree nuts.

**STORAGE INSTRUCTIONS:** Store in a dry, well-ventilated area and off of the floor. Do not feed moldy or contaminated food.

**SATISFACTION GUARANTEE:** If you are not completely satisfied simply return the unused portion with cash register receipt to:  
KAYTEE Guarantee

customerservice@kaytee.com

When developing Kaytee® Laying Hen Poultry Feed, Kaytee created a vegetarian formula, natural with added vitamins and minerals to meet the needs of the hen and the nutritious eggs they produce.

#### For the Chicken

- 16% protein with balanced amino acids to support egg production.
- Probiotics to support digestive health.
- Calcium for strong shells.

#### For the Egg

- Flax seeds for eggs rich in Omega-3.
- Marigold extract for rich colored egg yolks.
- Calcium for strong shells.
