

VETERINARIAN  
RECOMMENDED

## Satisfy your puppy's natural instinct to chew

Keep your puppy busy, happy, and satisfied with  
Nylabone® chew toys—featuring flavor throughout!

Designed for teething puppies, these puppy  
chews help encourage healthy chewing habits.

### START WITH:

Softer for Teething  
Puppies

(Should not be given to a puppy or dog with  
any permanent teeth)

### GRADUATE TO:

For Active Chewing

(Designed for puppies with their  
permanent teeth)

### EDIBLE CHEW TREAT: AFTER 6 MONTHS

For Growing Puppies 6  
Months and Older

BACON FLAVOR

- Discourages Destructive Chewing
- Fights Boredom
- Occupies & Entertains

### Puppy Chew™ Chicken Flavored Chew Toy

Recommended for puppies up to 25 lbs / 11 kg

- It's important to select the proper size & type of chew for your dog's age, weight & chewing strength. Non-edible chews should be large enough to encourage chewing from the side rather than top and bottom. If you have more than one dog in your household, select chews appropriate for the largest, strongest chewer.
- Always supervise the use of all chews & toys.
- Product is not intended to be eaten or ingested. During normal chewing, small bristle-like projections will be raised which help clean teeth. Small shavings (no larger than a grain of rice) should pass through. If you think your puppy swallowed a large piece, take the product away and contact your veterinarian.
- Inspect before giving to your puppy to make sure it's whole and intact. Check frequently & replace if worn or damaged, ends are worn down or if it becomes too small to chew safely.
- Hand wash with warm soapy water & rinse thoroughly.

### Puppy Chew™ Prime Rib & Sweet Potato Chew Toy

Recommended for puppies up to 25 lbs / 11 kg

- It's important to select the proper size & type of chew for your dog's age, weight & chewing strength. Non-edible chews should be large enough to encourage chewing from the side rather than top and bottom. If you have more than one dog in your household, select chews appropriate for the largest, strongest chewer.
- Always supervise the use of all chews & toys.

### Healthy Edibles® Bacon Flavored Edible Chew

**Feeding Instructions:** For puppies up to 25 lbs, feed up to one Regular size chew per day. Be sure your puppy has access to plenty of fresh water. Natural color may stain light-colored surfaces. Supervise the use of all edible chews to ensure that your puppy does not bite off pieces too large to swallow. These chews are recommended for puppies with all of their permanent teeth (usually around 6 months). Consult your veterinarian before introducing new foods or treats.

**Ingredients:** Wheat Starch, Vegetable Glycerin, Potato Starch, Pea Protein, Natural Flavor, Rice Flour, Powdered Cellulose, Lecithin, Oat Hulls, Calcium Carbonate, Natural Bacon Flavor, Natural Roast Beef Flavor, Dried Chicken, Choline Chloride, Thiamine Mononitrate, Riboflavin Supplement, Niacin Supplement, Calcium Pantothenate, Folic Acid, Vitamin A Supplement, Vitamin E Supplement, Biotin, Inositol, Ferrous Carbonate, Magnesium Oxide, Dicalcium Phosphate, Potassium Chloride, Sodium Selenite, Calcium Chloride, Zinc Oxide, Copper Oxide, Manganous Oxide, and Sodium Molybdate.
