REPTILE MUNCHIES FRUIT MIX

- Quick and convenient
- No refrigeration required
- A wide variety of pre-cut ingredients

ZILLA® REPTILE MUNCHIES FRUIT MIX is a quick and convenient way to provide reptiles a variety of desirable fruits they prefer. Select freeze dried ingredients are specifically chosen for fruit eating reptiles like Iguanas, Blue Tongued Skinks, Tegus, Box Turtles, Red and Yellow Foot Tortoises and Hermit Crabs.

Nutritious and high in beneficial vitamins, Zilla Reptile Munchies are ideal for feeding alone, in addition to leafy greens, pellet diets, or as a treat.

By using select freeze dried ingredients, Zilla Reptile Munchies will more fully rehydrate while maintaining beneficial nutrients and appealing color. This also allows for convenient storage of the unused food by simply resealing the bag – no refrigeration required.

FEEDING INSTRUCTIONS

Mix 1 part warm water to 2 parts Zilla Reptile Munchies Fruit Mix. Allow approximately 5 minutes for food to rehydrate. Drain excess water and place food in large shallow feeding dish. Always feed the appropriate amount of food for the size of the animal. Remove uneaten food.

INGREDIENTS

Freeze Dried Apples, Freeze Dried Bananas, Freeze Dried Strawberries, Freeze Dried Peaches, Freeze Dried Pears, Freeze Dried Mangos, Freeze Dried Blueberries.

Guaranteed Analysis:

Crude Protein (min.)	3.9%	Crude Fiber (max.)	4.0%
Crude Fat (min.)	1.0%	Moisture (max.)	11.0%

Not for human consumption.
