and minerals

Correct ratios of protein,
calcium, and fiber for the
long-term health of
ADULT DRAGONS.

Net Wt.
10 oz. (283 g)

No artificial preservatives,
colors, or flavors

FEEDING INSTRUCTIONS:

Moisten pellets with water to stimulate feeding behavior and create a flavorful mash that Dragons love. To encourage your dragons to eat pellets, thoroughly mix small amounts of lettuce into moistened Natural Bearded Dragon Food. Slowly reduce the amount of lettuce offered at each feeding until your Dragon has switched to Natural Bearded Dragon Food. Zoo Med's Can O' products (i.e. Can O' Snails, Can O' Pillars, and Can O' Crickets) are enjoyed by adult Bearded Dragons and can be offered at each feeding. Provide your Dragons with clean drinking water (use Zoo Med's ReptiSafe™ water conditioner to treat tap water).
