**Zilla® Reptile Munchies Vegetable Mix** is a quick and convenient way to provide reptiles a variety of desirable green vegetables they prefer. Select sun dried and freeze dried ingredients are specifically chosen for herbivorous reptiles like Bearded Dragons, Uromastyx, Iguanas and Tortoises.

Nutritious Zilla® Reptile Munchies are ideal for feeding alone, in addition to leafy greens, pellet diets, or as a treat. By using select dehydrated and sun-cured ingredients, Zilla® Reptile Munchies will fully rehydrate while maintaining beneficial nutrients and appealing color. This also allows for convenient storage of the unused food by simply resealing the bag — no refrigeration required.
