Conversion and Feeding Instructions
When introducing a new food, begin with a modest "test and new" food, gradually increasing the amount of new food over a 7 to 10 day period. This will prevent digestive upset as well as allow your pet to adjust to the new food. Adapt portions for proper weight maintenance and when feeding additional pets. Discard any unused food and clean dish before each feeding.

Daily Feeding Amount
Small Rabbit Breeds: 1/4 to 1/2 Cup (Approximately 35 g to 70 g)
Large Rabbit Breeds: 1/2 to 1 Cup (Approximately 70 g to 140 g)
Feed young rabbits (6 months and younger), and breeding and lactating rabbits, free choice Kaytee® Timothy Hay. Provide adult rabbits (6 months and older) free choice Kaytee® Timothy Hay.
Allergen information: Contains peanuts and/or tree nuts.

Ingredientes: Heno de feno secado al sol, heno de alfalfa curado al sol, avena, harina de soja sin cáscara, cáscara de avena, avena molida, trigo molido mediano, maíz molido, semillas de girasol, trigo, cebada, avena molida gruesa, maíz con cáscara, maíz molido, semilla de feno rojo, calabazas deshidratadas, pasas, piñones secos, papaya seca, semillas de cáscara, arroz molido, paja seca, bonitos deshidratados, semillas de calabaza, mezcla de sal y pasas, maceradas, cáscara, arroz molido, paja seca, bonitos deshidratados, semillas de calabaza, mezcla de sal y pasas, maceradas, vitamina A, cloruro de colina, tocoferoles macerados (conservantes), sulfato de zinc, sulfato de hierro, ácido mangánico, ácido cítrico, suplemento de riboflavina, suplemento de vitamina B12, suplemento de vitamina E, mezcla, complejo de biotina de sodio de menadiona (fuente de actividad de vitamina K), sulfato de cobre, sulfato de zinc, calcio (fuente de vitamina D3), pantothenato de calcio, hidroxido de piridoxina, mononitrato de tiamina, yodato de calcio, ioduro de sodio, extracto seco de fermentación de Aspergillus oryzae, producto seco de fermentación de Bacillus licheniformis, Nioce, extracto seco de fermentación de Aspergillus oryzae, producto seco de fermentación de Bacillus licheniformis, Nioce, extracto seco de fermentación de Bacillus subtilis, carbonato de cobalto, sulfato de sodio, FD&C amarillo N° 5, FD&C rojo N° 40, FD&C rojo N° 3, FD&C azul N° 1, FD&C amarillo N° 5

Conversión e instrucciones para la alimentación
Cuando introduce un nuevo alimento, comience con un ración de alimentos "nuevos y viejos", aumentando gradualmente la cantidad de nuevo alimento en un periodo de 7 a 10 días. Esto evitará problemas digestivos y permitirá a la mascota acostumbrarse a su nuevo alimento. Ajuste las porciones para el mantenimiento del peso adecuado y cuando alimente a más mascotas. Desheche el alimento que no se haya consumido y limpie el plato antes de servir cada ración de alimento.

Cantidad de alimento por día
Razas de pequeña especie: 1/4 a 1/2 taza (Aproximadamente 35 g a 70 g)
Razas de gran especie: 1/2 a 1 taza (Aproximadamente 70 g a 140 g)

Alimentación y recomendaciones: Contiene cacahuetes y/o otros frutos secos.
Almacenamiento: Este producto está naturalmente conservado, pero debe almacenarse en un lugar fresco y seco. Una vez abierto, use dentro de 30 a 45 días. Cierre el paquete y manténgalo en un lugar fresco y seco para evitar la humedad.
Garantía de satisfacción: Si no está completamente satisfecho, simplemente devuelva el producto no utilizado con cada recibo de compra a Kaytee Gardens, 501 Clay Street, Chilton, WI 53014.
