

**KAYTEE**

## Honey Treat for Parrots

**Kaytee® Forti-Diet Pro Health®** Honey Treat Sticks with DHA to support heart, brain and visual functions are a fun-to-eat way to add nutrition and activity to your pet's diet. Natural prebiotics and probiotics are also added to promote digestion. Choose from a variety of fresh tasting Kaytee® treats made from fortified, delicious ingredients.

**Feeding Instructions:** Hang Kaytee® Honey Treat Stick in your pet's cage following the instructions below. For best results alternate varieties and limit to 1 stick per bird per week. The specially designed 3-way hanger is made of a non-toxic, passable plastic that is safe for your pet, however, please remove hanger when treat is consumed.

**Instrucciones para la alimentación:** Cuelgue la golosina en barra Kaytee® en la jaula de su mascota siguiendo las instrucciones a continuación. Para obtener los mejores resultados, alterne las variedades y limite la cantidad a 1 barra por semana, por cada ave. El colgador de diseño especial que se puede usar de 3 maneras, está hecho de un plástico no tóxico que puede evacuarse y es seguro para su mascota. Sin embargo, quite el colgador una vez que se haya consumido la golosina.

**Instructions pour l'alimentation:** Suspendre le bâtonnet friandise de Kaytee® à la cage de votre animal en suivant les instructions ci-dessous. Pour des résultats optimaux, alterner entre les variétés et limiter la consommation à 1 bâtonnet par animal et par semaine. Le support spécialement conçu pour trois options est fabriqué à partir de plastique pouvant être digéré par l'animal, un matériau sain pour votre animal. Cependant, il est préférable de retirer le support lorsque l'animal a consommé la friandise.
