Conversion and Feeding Instructions
Begin by mixing 1 part new food with 3 parts old food, gradually increasing the amount of new food over a 7 to 10 day period. This will prevent digestive upset as well as allow your pet to adjust to the new food. Adjust portions for proper weight maintenance and when feeding additional pets. Discard any uneaten food and clean dish before each feeding.

Daily Feeding Amount
Parakeet or Small Hookbills ..... 1 to 3 Tablespoons (Approx. 12 g to 36 g)

Allergen Information: Contains peanuts and/or tree nuts.

Instructions pour la conversion et l'alimentation
Lorsque vous introduisez un nouvel aliment, commencez avec un mélange d'aliments "anciens et nouveaux", en augmentant progressivement la quantité du nouvel aliment au cours d'une période de 7 à 10 jours. Cela évitera les problèmes digestifs et permettra à votre animal de compagnie de s'habituer à quelque chose de nouveau. Adapter les portions pour un maintien de poids approprié et en cas d'alimentation d'animaux supplémentaires. Jeter tout aliment non consommé et nettoyer le contenant avant chaque nouveau repas.

Quantité de nourriture quotidienne
Perruche ou Petits psittacidés ..... 1 à 3 cuillères à soupe (Environ 12 g à 36 g)

Information allergique: Contient arachides et/ou autres noix d'arbres.

Conversión e instrucciones para la alimentación
Cuando ofrezca un nuevo alimento, comience con una mezcla de alimentos "nuevos y viejos", aumentando gradualmente la cantidad del nuevo alimento durante un período de 7 a 10 días. Esto evitará problemas digestivos y permitirá a su mascota acostumbrarse a algo nuevo. Ajuste las porciones para el mantenimiento del peso adecuado y cuando alimente a más mascotas. Deseche el alimento que no se haya consumido y limpie el plato antes de cada ración de alimento.

Cantidad de alimento por día
Periquito o Pericos pequeños ..... 1 a 3 cucharadas (Aproximadamente 12 g a 36 g)

Información sobre alérgenos: Contiene cacahuetes y/o otros frutos.

Storage Instructions: A naturally preserved product needs special attention to maintain maximum freshness. After opening bag, remove air and reseal tightly. Use the food within 30-45 days. Store in a cool, dry location. Refrigerate or freeze for extended storage.

Satisfaction Guarantee: If you are not completely satisfied, simply return the unused portion with the receipt to:
