

Hose 'n Go! Lilly Miller Moss Out! For Lawns Safety Data Sheet Date of issue: 02/26/2016 Revision date: 11/13/2019 Supersedes: 10/24/2019

Version: 1.1

SECTION 1: Identification	
1.1. Identification	
Product form	: Mixture
Trade name	: Hose 'n Go! Lilly Miller Moss Out! For Lawns
Synonyms	: EPA Reg. No.: 802-509; 100503873; UPC #: 0-70624-61524-9
1.2. Recommended use and restriction	is on use
Recommended use	: Mossicide.
Restrictions on use	: Avoid contact with eyes, skin or clothing. Keep out of reach of children. Avoid inhalation of vapors or fumes. Do NOT take internally.
1.3. Supplier	
Lilly Miller Brands	
1000 Parkwood Circle, Suite 700	
Atlanta, GA 30339 - United States	
www.mossout.com	
1.4. Emergency telephone number	
Emergency number	: 1-800-265-0761 1-800-424-9300 - CHEMTREC
	1-800-424-9300 - CHEMTREC 1-703-527-3887 - CHEMTREC - Outside North America - Collect Calls Accepted
OFOTION OF HEREINIA'S identification	
SECTION 2: Hazard(s) identification	
2.1. Classification of the substance or	mixture
GHS US classification	
Corrosive to metals Category 1	May be corrosive to metals
Acute toxicity (oral) Category 4 Skin corrosion/irritation Category 1B	Harmful if swallowed Causes severe skin burns and eye damage
Serious eye damage/eye irritation Category 1	Causes serious eye damage
Carcinogenicity Category 1A	May cause cancer
2.2. GHS Label elements, including pre	ecautionary statements
GHS US labeling	
Hazard pictograms (GHS US)	
	GHS05 GHS07 GHS08
Signal word (GHS US)	: Danger
Hazard statements (GHS US)	: May be corrosive to metals Harmful if swallowed
	Causes severe skin burns and eye damage
	Causes serious eye damage
Procentionary statements (CHS US)	May cause cancer
Precautionary statements (GHS US)	 Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.
	Keep only in original container.
	Do not breathe dust/fume/gas/mist/vapors/spray. Wash hands, forearms and face thoroughly after handling
	Wash hands, forearms and face thoroughly after handling. Do not eat, drink or smoke when using this product.
	Wear protective gloves/protective clothing/eye protection/face protection.
	If swallowed: Call a poison center or doctor if you feel unwell.
	If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with
	water/shower.
	If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present
	ה הישיטים. הוושב למעווטעשוץ איווד אמנה זהו שביבומו חוווועובש. הלהווטיב לטוונמנו ובחשבש, זו גובשיוו
11/13/2010	EN (English LIS)

	and easy to do. Continue rinsing. If exposed or concerned: Get medical advice/a Immediately call a poison center or doctor. Specific treatment (see supplemental first aid in Rinse mouth. Wash contaminated clothing before reuse. Absorb spillage to prevent material-damage. Store locked up. Store in corrosive resistant container with a res	nstruction on this label). sistant inner liner.	
	Dispose of contents/container to in accordance regulations.	e with local/regional/national	/International
2.3. Other hazards which do not resu	Ilt in classification		
Other hazards not contributing to the classification	: This product is toxic to fish. Under United State Communication Standard), this product is cons		0.1200 - Hazard
2.4. Unknown acute toxicity (GHS US	5)		
Not applicable			
SECTION 3: Composition/Informa	tion on ingredients		
3.1. Substances			
Not applicable			
3.2. Mixtures

Hose 'n Go! Lilly Miller Moss Out! For Lawns

Safety Data Sheet

oaroty	Bala eneol		
SECT	ION 6: Accidental release me	asures	
6.1.	Personal precautions, protective equipment and emergency procedures		
6.1.1.	For non-emergency personnel		
Emerge	ncy procedures	: Ventilate spillage area. Avoid contact with skin and eyes. Avoid breathing vapors or fumes. Evacuate unnecessary personnel. Wear appropriate personal protective equipment, avoid direct contact.	
6.1.2.	For emergency responders		
Protecti	ve equipment	: Do not attempt to take action without suitable protective equipment. For further information refer to section 8: Exposure controls/personal protection.	
Emerge	ency procedures	: Do not scatter spilled material with high pressure water streams. Do NOT wash away into sewer. Avoid release to the environment. Stay upwind. Stop release. Ventilate area. Wear appropriate personal protective equipment, avoid direct contact. Evacuate unnecessary personnel. Stop leak if safe to do so. Do not touch spilled material.	
6.2.	Environmental precautions		
Do NO	Γ wash away into sewer. Avoid release	to the environment.	
6.3.	Methods and material for contain	ment and cleaning up	
Method	s for cleaning up	: Absorb spills with an inert material, clay granules or other inert absorbent material and put in container for disposal. Wear appropriate personal protective equipment, avoid direct contact.	
SECT	ION 7: Handling and storage		
7.1.	Precautions for safe handling		
Precaut	ions for safe handling	: Ensure good ventilation of the work station. Avoid contact with skin and eyes. Wear personal protective equipment. Avoid breathing fumes.	
Hygiene	e measures	: Do not eat, drink or smoke when using this product. Always wash hands after handling the product.	
7.2.	Conditions for safe storage, inclu	ding any incompatibilities	
Storage	conditions	: Store in a well-ventilated place. Keep cool. Keep from freezing. Keep only in original container.	

Incompatible materials

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

Sulfuric acid (7664-93-9)				
ACGIH ACGIH TWA (mg/m³)		0.2 mg/m ³ (thoracic particulate matter)		
ACGIH Remark (ACGIH) Pulm func		Pulm func		
OSHA	OSHA PEL (TWA) (mg/m³)	1 mg/m³		
IDLH	US IDLH (mg/m ³)	15 mg/m³		
NIOSH	NIOSH REL (TWA) (mg/m ³)	1 mg/m³		

Keep container tightly closed. Store locked up.

: Strong oxidizers. Strong bases. Strong acids. Metals.

8.2. A	Appropriate engineering controls		
Appropriate engineering controls		:	Adequate ventilation systems as needed to control concentrations of airborne contaminants below applicable threshold limit values.
Environme	ntal exposure controls	:	Avoid release to the environment.
8.3. lı	ndividual protection measures/Per	sor	nal protective equipment

Hand protection:

Wear chemical resistant gloves

Eye protection:

Chemical goggles or face shield

Skin and body protection:

Wear long-sleeved shirt and long pants, and shoes plus socks.

Hose 'n Go! Lilly Miller Moss Out! For Lawns

Safety Data Sheet

Respiratory protection:

Odor

In case of insufficient ventilation, use NIOSH approved respiratory protection.

SECTION 9: Physical and chemical properties 9.1. Information on basic physical and chemical properties Physical state : Liquid : Brown to reddish liqiud Appearance Color : Brown to reddish · No data available

Odor	
Odor threshold	: No data available
рН	: 1 as is, 4.8 in 1% solution
Melting point	: 14.44 °C (58 °F)
Freezing point	: No data available
Boiling point	: 100 °C (212 °F)
Flash point	: No data available
Relative evaporation rate (butyl acetate=1)	: No data available
Flammability (solid, gas)	: Not applicable
Vapor pressure	: No data available
Relative vapor density at 20 °C	: No data available
Relative density	: 1.57 - 1.62
Solubility	: Soluble
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosion limits	: No data available
Explosive properties	: Not explosive
Oxidizing properties	: Not applicable

9.2. **Other information**

No additional information available

SECTION 10: Stability and reactivity

10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

10.2. **Chemical stability**

Stable under normal conditions.

10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use. Hazardous polymerization will not occur.

10.4. **Conditions to avoid**

Excessive heat and freezing conditions.

10.5. Incompatible materials

Strong oxidizing agents. Strong bases. Strong acids. Metals.

Hazardous decomposition products 10.6.

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Decomposes upon heating to produce toxic gases including sulfur oxides.

Hose 'n Go! Lilly Miller Moss Out! For Lawns

Safety Data Sheet

SECTION 11: Toxicological information Information on toxicological effects 11.1. Hose 'n Go! Lilly Miller Moss Out! For Lawns ATE (Oral) 500 mg/kg body weight Iron(III) sulfate (10028-22-5) LD50 oral rat 500 - 2000 mg/kg Sulfuric acid (7664-93-9) LD50 oral rat 2140 mg/kg Listed on IARC (International Agency for Research on Cancer) IARC group 1 - Carcinogenic to humans In OSHA Hazard Communication Carcinogen list? Yes

GHS-US Properties	Classification	
Acute toxicity (oral)	Harmful if swallowed.	
Acute toxicity (dermal)	Not classified	
Acute toxicity (inhalation)	Not classified	
Skin corrosion/irritation	Causes severe skin burns and eye damage.	
Serious eye damage/irritation	Causes serious eye damage.	
Respiratory or skin sensitization	Not classified	
Germ cells mutagen	Not classified	
Carcinogenicity	May cause cancer.	
Reproductive toxicity	Not classified	
Specific target organ toxicant (single exposure)	Not classified	
Specific target organ toxicant (repeated exposure)	Not classified	
Aspiration hazard	Not classified	

Potential health effects

Inhalation	
Acute	: Under normal conditions of use, no health effects are expected.
Skin	
Acute	: Causes serious skin burns.
Eye	
Acute	: Causes serious eye damage.
Ingestion	
Acute	: Harmful if swallowed.
Mutagenicity	: Not classified.
Carcinogenicity	: Strong inorganic acid aerosols/mists containing sulfuric acid are carcinogenic to humans via inhalation. Under normal conditions of use this route of exposure is not expected.
Reproductive Effects	: Not classified.

SECTION 12: Ecological information

12.1. Toxicity

No additional information available

12.2. Persistence and degradability

No additional information available

12.3. Bioaccumulative potential

No additional information available

12.4. Mobility in soil

No additional information available

12.5.	Other adverse effects	
Hose 'n Go! Lilly Miller Moss Out! For Lawns		
Ecolog	jical Fate	This product is toxic to fish.

SECTION 13: Disposal considerations

Disposal methods 13.1.

Product/Packaging disposal recommendations

: Dispose of content and/or container in accordance with local, regional, national, and/or international regulations.

SECTION 14: Transport information					
	UN number	Proper Shipping Name	Transport hazard class(es)	Packing group	Environmental hazards
DOT	UN3264	Corrosive liquid, acidic, inorganic, n.o.s. (Ferric sulfate)	8	II	RQ Ferric sulfate = 1,000 lbs. Sufuric acid = 1,000 lbs.
IMDG	UN3264	Corrosive liquid, acidic, inorganic, n.o.s. (Ferric sulfate)	8	II	Not applicable
ΙΑΤΑ	UN3264	Corrosive liquid, acidic, inorganic, n.o.s. (Ferric sulfate)	8	II	Not applicable

SECTION 15: Regulatory information

15.1. US Federal regul	ations
------------------------	--------

Iron(III) sulfate (10028-22-5)		
Listed on the United States TSCA (Toxic Substances Control Act) inventory		
CERCLA RQ 1000 lb		
Sulfuric acid (7664-93-9)		
Listed on the United States TSCA (Toxic Substa Listed on the United States SARA Section 302 Subject to reporting requirements of United State		
CERCLA RQ	1000 lb	
Section 302 EPCRA Reportable Quantity (RQ)	1000 lb	
SARA Section 302 Threshold Planning Quantity (TPQ)	1000 lb	
SARA Section 313 - Emission Reporting	1 % (acid aerosols including mists, vapors, gas, fog, and other airborne forms of any particle size)	
FIFRA Labelling		
EPA Registration Number	802-509	
This chemical is a pesticide product registered by the United States Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets (SDS), and for workplace labels of non-pesticide chemicals. The hazard information required on the pesticide label is reproduced below. The pesticide label also includes other important information, including directions for use.		
FIFRA Signal word	Warning	
FIFRA Precautionary Statement	KEEP OUT OF REACH OF CHILDREN.	
FIFRA Hazards to Humans and Domestic Animals	Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear such as goggles or safety glasses, long-sleeved shirt and long pants, socks, shoes and gloves. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Do not allow persons or pets in treated areas until sprays have dried.	

Hose 'n Go! Lilly Miller Moss Out! For Lawns Safety Data Sheet

FIFRA First Aid	Have product container or label with you when calling a poison control center or doctor, or going for treatment. If in eyes: Hold eye open and rinse slowly and gently wit_h water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If swallowed: Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. If on skin or on clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
FIFRA Environmental Hazards	This product is toxic to fish. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage ditches.

15.2. US State regulations

No additional information available

SECTION 16: Other information		
Date of issue	: 26 February 2016	
Revision date	: 13 November 2019	
Supersedes	: 24 October 2019	

Indication of changes:

Revised Sec. 2 - Mixture classification change.
