

Aqueon® Iron & Manganese 0-0-3 supplements iron, manganese, potassium and other micronutrients to spur freshwater plant growth. Does not contain added phosphates or nitrates to cause undesirable algae growth!

The iron (important for plant photosynthesis) and manganese (essential for chlorophyll formation) used are chelated; meaning they stay in solution longer to provide lasting nutrients to freshwater plants.

Directions: Add 5 mL (1 tsp) per 50 gallons of tank capacity every week or 8 drops each day.

Aqueon® Iron & Manganese 0-0-3

Guaranteed Analysis

Soluble Potash (K ₂ O)	3%
Iron (Fe)	0.24%
0.24% Chelated Iron (Fe)	
Manganese (Mn)	0.01%
0.01% Chelated Manganese (Mn)	
Molybdenum (Mo)	0.000005%
Zinc (Zn)	0.00014%
0.00014% Chelated Zinc (Zn)	

F1656

Derived From: Muriate of potash, Iron EDTA, Manganese EDTA, Zinc EDTA, Sodium molybdate

Item # 100541402 Oct2019
