

DIRECTIONS

SHAKE WELL BEFORE EACH USE

FOR TREATMENT OF EXTERNAL SKIN DISORDERS:

Wet the animal thoroughly and apply sufficient Skin Care Bath to lather well (apply straight or dilute with one or two parts water, depending on length and density of coat).

Massage in well. Allow ten minutes contact time and rinse completely. Repeat bathing semi-weekly or weekly, and apply Septiderm-V Skin Care Lotion to hot spots or sores daily according to directions until conditions are under control.

ROUTINE AND GROOMING USE:

Apply as directed above except contact time may be shortened. Bathe monthly or as needed.

Septiderm-V[®] Skin Care Bath

**Hot Spots
Skin Allergies
Dermatitis**

**For Problem Skin
Relieves Itching & Deodorizes
Excellent Grooming Aid
For Dogs & Cats
16 FL. OZ. (480 ml)**

Helps relieve itching due to skin problems that may be caused by hot spots, flea bites, dermatitis, rashes and skin allergies.

Septiderm-V Skin Care Bath is a skin care shampoo for use on dogs, cats and horses over the age of six weeks.

Regular bathing, plus the use of Septiderm-V Skin Care Lotion on all areas where inflammation, hair loss or sores are evident, will provide relief from the intense itching of bacterial skin infection.

In addition to relieving itching, it is a very effective deodorant shampoo and an excellent grooming aid.

Septiderm-V Skin Care Bath provides thorough cleansing action and removes dirt without stripping natural oils. It rinses easily and helps to control static electricity ("fly-away") coat.

**FOR EXTERNAL USE ONLY
KEEP OUT OF REACH OF CHILDREN**
